# HOME PARK-IT®

PRODUCT INFORMATION BROCHURE

PICTURED: RUBBER PARKING CURB

**Checkers™ Motion Safety** is a full service manufacturer of parking lot safety solutions. We design and manufacture traffic control products that help cars navigate and park safely. Our main goal has been to create solutions that protect motorists and pedestrians from the perils of today's parking lots. As such, Monster's products have been designed and developed with speed reduction, driver and pedestrian safety in mind. All of our solutions are manufactured from 100% recycled rubber and plastic. Rubber and plastic speed bumps or parking blocks, for example, are longer lasting, highly visible, and more car-friendly than asphalt or concrete alternatives. Not only are Monster's traffic safety solutions environmentally friendly, they can also be installed for both temporary or permanent use.

- **Rubber parking stops greatly outlast concrete competitors**
- **Rubber parking stops don't degrade like concrete parking stops, keeping parking lots aesthetically pleasing**
- **Multiple rubber and tape colors available**
- **High quality rubber is resistant to weather, salts, and chemicals**
- **Recycled rubber construction is environmentally friendly**
- **Plyable rubber protects vehicles as well as curbs**
- **Highly reflective colored tape ensures the parking stop will be visible**
- **Easy to install, either on asphalt or concrete surfaces**
- **Can be used for temporary or permanent applications**
- **Commercial and residential models available**

**CHECKERS™ HOME PARK-IT®** is the safest, smartest parking device to protect your car. With molded reflective tape, available with yellow or white, these parking stops are sure to be seen.

**Material:** Premium Recycled Rubber

- A guidance device that helps the homeowner park with confidence in limited space.
- Protects valuables and prevents damage in and around the garage.
- Highly visible at night and comes with painted yellow stripes and reflective glass beading.
- High quality, durable construction warranted for 5 years.

MODEL: 13190H
